Last years topics included:

Leadership Activities
Communication Skills
Resume Building/Writing
Know Your Community Leaders
Public Speaking
Challenge Course
Motivation
Decision Making
High Ropes Course
Mock Interviews
Teambuilding Activities

District 6490 has a committee of Rotarians from several clubs working together on a fantastic three-year curriculum.

Volunteers are needed throughout the weekend to help facilitate activities, work with students on mock interviews, critique their resumes and more.

If you are interested in helping, please contact Tiffany at tiffany@savoyrecreationcenter.com

District 6490 is made up of more than 50 clubs. How many can we get to participate?

The \$165 fee per student is well worth your club's money as this is an experience that they will not forget! Sign up by the early deadline and save \$10, save another \$10 by sending a chaperone.

The rock climbing wall and ropes challenge courses are always popular with the students. We also have a music and pizza night, as well as some fun by the campfire.

Has your club sponsored RYLA students in previous years? Can your club commit to sending/helping these students for all three years of the curriculum?

We recommend that clubs charge \$50 to the participants to make sure they understand how important it is that they indeed attend camp.

Have you seen the RYLA video that came out last year? Did your club receive one? If not, let Tiffany know so we can work on getting a copy to your club. Speak to your local high schools about RYLA and don't forget to ask your Interact students if they want to participate! This is a fantastic weekend of learning and preparing these great kids for some valuable life skills.

Application & waivers
available on-line at
www.rotary6490.org

Mail Application
and U of I Waiver to:

Tiffany DeSpain
204 W. Graham Dr.
Savoy, IL 61874
